TO ALL LICENSED SURVEYORS

Tuan,

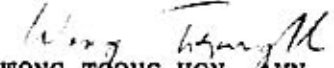

PULING ON BORANG LJT 3

I am directed to inform you that the Board has ruled that after the payment of 60% of the survey fees on completion of the field work to the Licensed Surveyor, the Board shall pay to the Licensed Surveyor a further 21% of the fee on receipt of Borang LJT 3 by the Board, and the balance of 18% of the fee shall be paid either after a period of 3 months from the date of such deposit or after the survey plan has been approved by the Pengarah Ukur concerned, whichever is earlier.

2 For this method of payment to be carried out with the least delay, all Licensed Surveyors are requested to carry out the following procedures :-

- a) Submit the survey plan and other relevant documents together with the original and one copy of Borang LJT 3, and the Blue copy of Borang LJT 2 direct to the Pengarah Ukur.
- b) Submit one copy of Borang LJT 3 and the Yellow and White copies of Borang LJT 2 direct to the Board.
- c) The Pengarah Ukur, after having been satisfied that all the records have been received correctly, shall sign and date the original copy of Borang LJT 3 and forward it to the Board.
- d) The Secretary shall sign and return the Yellow copy of Borang LJT 2 to the Licensed Surveyor together with payment up to a maximum of 81% of the survey fees.
- e) The balance of 18% of the survey fees shall be paid 3 months after deposit of the survey plan at the Office of the Pengarah Ukur concerned or after the survey plan has been approved, whichever is earlier. The final payment can only be made after the original copy of Borang LJT 3 signed by the Pengarah Ukur has been received by the Board.
