Semua Jurukur Berlesen,

Licensed Surveyors Acting as Wakil Resmi for Clients.

As you are probably aware, it is sometimes necessary for the Board to make refunds to clients of licensed surveyors due to overpayment or other reasons. In such cases, for obvious reasons, the Board should communicate direct with the client concerned or with his official representative. At its 78th Meeting, the Board has therefore decided that in Borang LJT 1 and Borang LJT 2, under the item "Nama dan Alamat Tuan Tanah/Wakil Resmi", the name of the licensed surveyor (or his firm) concerned should not appear as the Wakil Resmi. However, if the Tuan Tanah or his Wakil Resmi chooses to do so, he or she could use the address of the licensed surveyor (or his firm) for the purpose of correspondence.
